Special Note

Safe Harbor / Forward-Looking Statements

This presentation consists of these slides and the associated remarks and comments, which are related and intended to be presented and understood together.

Certain statements in this presentation and discussion, including, but not limited to, the company's 2017 outlook, are forward-looking. Forward-looking statements are those which are not historical facts and also include the company's current expectations regarding revenue growth, adjusted earnings per share (EPS) growth, the impact of transformation initiatives, the effective tax rate, full-year interest expense, return on invested capital, anticipated investments to improve customer experience and in higher growth businesses (and the impacts of such investments), and Legal's U.S. online legal information growth and revenue performance.

Our actual results in future periods may differ materially from those currently expected because of a number of risks, uncertainties and assumptions. The risks, uncertainties and assumptions that we believe are material are outlined in our disclosure filings and materials, which you can find on www.thomsonreuters.com. Please consult these documents for a more complete understanding of these risks, uncertainties and assumptions. We disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. Our outlook is provided for the purpose of providing information about current expectations for 2017. This information may not be appropriate for other purposes.

Non-IFRS Financial Measures

This presentation contains disclosures of certain non-IFRS financial measures. These measures include adjusted EBITDA and the related margin, free cash flow, adjusted EPS, return on invested capital and selected measures before the impact of currency.

Please see our earnings release dated November 1, 2017, which is available on www.thomsonreuters.com, for a reconciliation of each of these measures to the most directly comparable IFRS financial measure. You can also find IFRS reconciliations in the "Investor Relations" section of our website.
